Fol-de-rol was first used as a term to describe a refrain in a song that appeared (on its face) to be a bit nonsensical, for example something like “Tra la la”! Although this particular phrase doesn’t have great meaning, its purpose was to add a little flourish, a little silliness, and a little fun! Hence, our decision to use this name in 2006 to describe our tri-annual service weekend!

Participation in Service is incredibly meaningful! And, yet it’s even better when we’re able to add a little flourish, a little silliness, and a little fun!

We hope that you will join us for this weekend filled with workshops and learning and fellowship! YOUR part is the harmony we’ve been waiting for! “Tra la la!”
